		John CARRICK #2880
	Born: Buried: Father: Mother:	circa 1690 ¹ 23 Dec 1736 in Coniston, Swine, East Yorkshire ²
		NOTES: Is this the link between Easington & Swine ? It is probable that the Carrick family of Easington were originally in Owthorne as baptisms were recorded in Aldbrough prior to them being in Easington. Somebody has made a link between the Carricks in Owthorne and a subsequent burial of a John Carrick in Swine in 1736.
