FROM DAVID JOHNSON in CANADA: I discovered at the Mormon family history centre the death certificate of Andrew Craig. It stated that he died on December 5, 1872 at age 67. He was a labourer born in Paisley, Scotland. The cause of death was dropsy/tropsy with organic disease of the liver after 3 months of being diagnosed. The signature of the informant was Thomas H./N. Craig, a machinist in Galt. I would guess this Thomas to be his son. The record comes from the Ontario Vital Statistics Index, 03933373. His death was officially registered on April 18, 1873.
