NOTES:

There is only one entry in the Lincolnshire IGI for a marriage between a George Hurdman and Ann. This is in 1766 in Willoughby (which is just 4 miles om Mumby, where son George was born in 1781).

Also, in Willoughby is a Richard Hurdman and his wife, Elizabeth. Her maiden name was also Hornby - probably a sister of Ann Hornby. Both George Hurdman and Richard Hurdman are listed in the IGI as being "of Grazier" (although this place does not appear to exist).
