NOTES:

Information from Liz Wilkinson -

By 1861 Jane was a widow. She was visiting William and Mary Clipsham in Louth, Lincs. I noticed that Mary Clipsham b.1805 was 2 years younger than Jane b.1803 and she was born in Wainfleet. On checking IGI I found William Clipsham married Mary Goy in Wainfleet in 1829. I also found Mary Goy christened in Wainfleet 6 Jan 1805 and Jane Goy christened in Wainfleet 1 May 1803. Their parents were Goy and Susanna.

On 1851 Jane was listed as 40 but as her eldest child was 27 I suspect she was older.
