

Husband: Welch RUSSEL #1697	
Born:	circa 1710 ¹
Father:	
Mother:	
NOTE:	
Forename spelt variously as Welsh & Welch.	
He could be the same Welch RUSSEL born in 1676, but this would make him 58 at the time of marriage to Rebecca ATKIN and his last child would have been born when he was in his late sixties. It would have also been his second marriage (the first being to Mary WALTON in 1697). Alternatively, the Welch RUSSEL could be the son of Welch RUSSEL (1676) and Mary WALTON.
