NOTES:

In the book entitled "The Life Story of Joseph Smith" (a biography of Joseph Smith, b.1854 Wildon Grange, son of Thomas Smith), there is a reference to "A cousin, also a doctor, who visited the Gold Coast, West Africa, and got friendly with old King Coffee, traded with the natives and wrote a very interesting little book". This is most likely a reference to Joseph Smith, b.1809 Kildale, son of Robert Smith.
